Residency in Dubai, UAE (II): Sponsor Visa

The UAE is the country consisting of seven emirates located in South-West Asia, in the north-east of the Arabian Peninsula and bordering the countries such as Qatar, Iran, Pakistan, Oman and Saudi Arabia. UAE is one of the richest countries in the world and one of the most attractive for conducting the business and obtaining residency (residence permit). One of the ways of obtaining residency in the United Arab Emirates is to get the sponsorship (employment) visa through the recruitment agencies EDG DMCC and Averis Dubai.

Benefits:

- Exemption from corporate, personal and capital gains tax
- Tax benefits as per the existing international agreements
- Possibility of the account opening in the UAE banks, which are known for their stability, as well as the high level of respect for the banking secrecy
- Well-developed infrastructure and modern communication systems
- Possibility to enter the country without issuing additional documents
- Ability to act as a sponsor for the applicant's family
- Safety and comfort for the work and life
- Political stability
- High quality health care, obtaining the international driving permit, etc.

General information:

- Visa processing is carried out completely by the sponsor company
- Sponsor visa is issued for three years with the possibility of a further extension
- Need of presence in the United Arab Emirates after obtaining the sponsor's visa – once every six months

General requirements:

- Clear valid passport copy
- Most recent UAE entry stamp page
- Passport size photo (in jpeg format) with a white background
- Additional documents may still be required at the discretion of the authorities
