

● RESIDENCY IN UNITED KINGDOM THROUGH TIER 1: INVESTOR VISA OR ENTREPRENEUR VISA

The **United Kingdom of Great Britain and Northern Ireland**, commonly known as the **United Kingdom (UK)** or **Britain**, is a sovereign country in western Europe. With an area of 242,500 square kilometres, the United Kingdom is the 78th-largest sovereign state in the world and the 11th-largest in Europe.

General information and advantages

- The UK has the world's fifth-largest economy by nominal GDP and ninth-largest economy by purchasing power parity.
- It is categorized as very high in the Human Development Index, ranking sixteenth in the world.
- It is one of the most attractive places in the world both as a business location and as a place for private residence.
- It is known for having a stable democratic government and a respected system of law which has been adopted by countries across the globe and is well located between the United States and Europe.
- In terms of international business environment, London is the financial capital of the world.
- The UK has an attractive tax regime for high net worth individuals who are resident but not domiciled.
- It is a recognized nuclear weapons state and is ranked seventh in military expenditure in the world.
- For foreign nationals to become UK permanent resident, apply for Indefinite Leave to Remain (ILR).
